4-Apr	CHAMPIONSHIP
-------	--------------

Games are best 2 out of 3, in a 20 minute timeslot. If time runs out during a game the team with the most players is deemed the winner. If each team has a win a 5 minute sudden death round will be played. At the end of 5 minutes if no winner is declared, the team with the most players left is the winner.

If you win both games you get 2 points, if you win 1 games you get 1 point. The points system will determine the play off schedule.
